## TENTERFIELD WATER TREATMENT PLANT

Tenterfield Shire Council's jointly funded project between Safe and Secure Water Program (NSW Government) and Building Better Regions Fund (Federal Government) to construct a new water filtration plant for the Tenterfield community has reached its final stage of development.

A thorough four-week proof of performance test will this week enter the final week of testing, a significant moment for the project and the Tenterfield community as from the 3<sup>rd</sup> of May the new Water Filtration Plant will be delivering water to the reservoir and servicing the township of Tenterfield with water.

Council appreciates your patience in the delivery of this project
