### **MAYORAL MINUTE**

#### **SUMMARY**

This Mayoral Minute recommend that Council call on the NSW Government to take immediate action to:

- Restore the Emergency Services Levy,
- Decouple the Emergency Services Levy from the rate peg to enable councils to recover the full cost,
- Develop a fairer, more transparent and financially sustainable method of funding critically important emergency services.

**62/23**

**Resolved** that I, Mayor Bronwyn Petrie intend to move the following Mayoral Minute with respect to the damaging Increase in the Emergency Services Levy Costs: -

(1) Council writes to the Treasurer, the Minister for Emergency Services, the Minister for Local Government and local State Member(s):

- Expressing Council's strong opposition to the NSW Government's last minute decision to impose an enormous Emergency Services Levy (ESL) cost increase on councils for 2023/24 by scrapping the ESL subsidy for councils and at a time after Council has publicly advertised its Operational Plan and annual budget to the community;
- Noting that as a consequence of the unannounced 73% increase in the State Emergency Service budget and an 18% increase in the Fire and Rescue NSW budget, Council's 4.2 % rate increase to provide essential community services and infrastructure has been significantly eroded.
- Advising that the Government's decision may/will lead to a reduction in important local services and/or the cancellation of necessary infrastructure projects;

(d) Calling on the NSW Government to take immediate action to:

- i. restore the ESL subsidy in 2023/24
- ii. urgently introduce legislation to decouple the ESL from the rate peg to enable councils to recover the full cost
- iii. develop a fairer, more transparent and financially sustainable method of funding critically important emergency services in consultation with local government.

(2) Council writes to the Chair of the Independent Pricing and Regulatory Tribunal (IPART) advising that Council's forced emergency services contribution is manifestly disproportionate to the 2023/24 rate cap, which has resulted in additional financial stress.

(3) Council writes to the President of LGNSW seeking the Association's ongoing advocacy to bring about a relief in the burden of Councils' emergency services contribution.
