11 December 2024

Planned Road Works – Torrington Road DEEPWATER

Council is reconstructing Torrington Road between Castlerag Road and the Deepwater River Bridge, Deepwater.

Works include:

- Drainage
- Pipe replacements
- Pavement reconstruction
- Bitumen Sealing of the reconstructed pavement

There will be minor disruptions to traffic during these construction phases. Weather permitting, the works duration will be approximately 4-5 months, commencing 10 December 2024 through to approximately April 30th 2025.

There will be no work between December 20th 2024 and January 6th 2025.

Please contact Tenterfield Shire Council on 02 6736 6000 regarding the project.

Matthew Francisco

Director Infrastructure Services
