Part A – Introduction

1. Introduction

- 1.1. The provision of expenses and facilities enables Councillors to fulfil their civic duties as the elected representatives of Tenterfield Shire Council.
- 1.2. The community is entitled to know the extent of expenses paid to Councillors, as well as the facilities provided.
- 1.3. The purpose of this policy is to clearly state the facilities and support that are available to Councillors to assist them in fulfilling their civic duties.
- 1.4. Council staff are empowered to question or refuse a request for payment from a Councillor when it does not accord with this policy.
- 1.5. Expenses and facilities provided by this policy are in addition to fees paid to Councillors. The minimum and maximum fees a council may pay each Councillor are set by the Local Government Remuneration Tribunal as per Section 241 of the Act and reviewed annually. Council must adopt its annual fees within this set range.

2. Policy Objectives

- 2.1. The objectives of this policy are to:
 - enable the reasonable and appropriate reimbursement of expenses incurred by Councillors while undertaking their civic duties.
 - enable facilities of a reasonable and appropriate standard to be provided to Councillors to support them in undertaking their civic duties.
 - ensure accountability and transparency in reimbursement of expenses and provision of facilities to Councillors.
 - ensure facilities and expenses provided to Councillors meet community expectations.
 - support a diversity of representation.
 - fulfil the Council's statutory responsibilities.

3. Principles

- 3.1. Council commits to the following principles:
 - **Proper conduct:** Councillors and staff acting lawfully and honestly, exercising care and diligence in carrying out their functions.
 - **Reasonable expenses:** providing for Councillors to be reimbursed for expenses reasonably incurred as part of their role as Councillor.
 - **Participation and access:** enabling people from diverse backgrounds, underrepresented groups, those in carer roles and those with special needs to serve as a Councillor.
 - **Equity:** there must be equitable access to expenses and facilities for all Councillors.

- **Appropriate use of resources:** providing clear direction on the appropriate use of Council resources in accordance with legal requirements and community expectations.
- **Accountability and transparency:** clearly stating and reporting on the expenses and facilities provided to Councillors.

4. Private or Political Benefit

- 4.1. Councillors must not obtain private or political benefit from any expense or facility provided under this policy.
- 4.2. Private use of Council equipment and facilities by Councillors may occur from time to time. For example, telephoning home to advise that a Council meeting will run later than expected.
- 4.3. Such incidental private use does not require a compensatory payment back to Council.
- 4.4. Councillors should avoid obtaining any greater private benefit from Council than an incidental benefit. Where there are unavoidable circumstances and more substantial private use of Council facilities does occur, Councillors must reimburse the Council.
- 4.5. Campaigns for re-election are considered to be a political benefit. The following are examples of what is considered to be a political interest during a re-election campaign:
 - production of election material;
 - use of Council resources and equipment for campaigning;
 - use of official Council letterhead, publications, websites or services for political benefit, and
 - fundraising activities of political parties or individuals, including political fundraising events.

Jurisdiction

No authority to depart from this policy is granted to any person. All actions and decisions must be in accordance with this policy and this policy can only be varied by Council.

18. Definitions

- 18.1 **The Act:** The NSW Local Government Act 1993.
- 18.2 **The Regulation:** The Local Government (General) Regulation 2023.
- 18.3 **The Guidelines:** The Guidelines for the payment of expenses and the provision of facilities for Mayors and Councillors in NSW, as released by the Division of Local Government in October 2009 under the provisions of section 23A of the Act.
- 18.4 **Expenses:** Payments made by Council to reimburse Councillors for reasonable costs or charges incurred, or to be incurred, for discharging their civic functions. All expense to be reimbursed must be outlined in this Policy and may be either reimbursed to a Councillor or paid directly by the Council

to a third party. Expenses are separate and additional to annual fees paid to the Councillors and Mayor in accordance with the Act.

- 18.5 **Facilities:** Equipment and services provided by Council to Councillors to enable them to discharge their civic functions to a standard and appropriate to their role.
- 18.6 **Meeting:** Meetings for which Councillors expenses will be reimbursed for attending include Ordinary and Extra-ordinary meetings of Council within the meaning of the Act, and Standing Committee meetings to which the Councillor is a delegate by resolution of Council.
- 18.7 **Council Event:** A Council event for the purpose of this policy is one which the attending Councillors were authorised to attend by Council resolution, or where appropriate the authorisation of the Mayor and General Manager. These are in addition to Council's ordinary and extra-ordinary meetings, and may include training and development events, civic events, conferences, dinners with visiting delegates and workshops. The purpose of this is to ensure that control exists over the number and type of events for which the Council may become exposed to expense claims and limits them to those which the attendee is a delegate or alternate appointed by Council resolution.
- 18.8 **Civic Duties:** Duties include the attendance at a reasonable frequency of Progress Association or Hall Committee meetings within the particular Ward for which a Councillor has been elected, and at which meetings Council-related business is discussed. In the instance of both elected Councillors for the Ward being unable to attend a meeting where important Council business will be discussed, the Mayor, or another Councillor authorised by the Mayor, may attend this meeting on behalf of the "Ward Councillor/s".

Expenses that are claimed for reimbursement for attending meetings, must relate to Council business at which the attending Councillor – viewed reasonably from a Council perspective – "needs to be" or is "supposed to be" present as either a participant or representative.

The Ratepayers Association of Tenterfield Shire Inc. (RATeS) is generally attended by Councillors living in Tenterfield town; however, when a substantial and important item is under consideration by Council that attracts significant community and ratepayers' attention across the local government area (e.g. the consideration of a Special Rate Variation), the Mayor and General Manager will take these circumstances into consideration when approving reimbursement requests from Councillors living outside of the Tenterfield township, to also attend RATeS' Meetings during these periods of time.

Notwithstanding the provisions of Clauses 6.16 to 6.19 of this policy, no accommodation and meal costs will be reimbursed to Councillors for attending these above-mentioned types of meetings within the boundaries of the local government area.

These duties do not include the attendance of social events, parties or other meetings or events where Council is not the organiser, or where Council business is not transacted as a main or important part of the meeting or event.

18.9 Local Travel: Travel within the Tenterfield Shire Council Local Government Area. In those instances where Council pool vehicles are considered the most practicable and economical mode of transport, Councillors travelling to fulfil their civic duties as described in clause 18.8 above, are to provide the General Manager with a copy of their valid NSW or Australian driver's licence before the Council vehicle is being driven.

18.10 Limits and Standards: The Policy sets out the monetary limits to be applied to reimbursement of expenses, and the standards for the provision of equipment of facilities as determined by Council in accordance with the Guidelines.

No other specific definitions are deemed required for this policy, with all terms used intended to have their everyday meanings.
